Product features at a glance

Living Coupon for Stable Wealth Growing

From 24:00 of the Living Coupon First Payment Date (included) to the Policy Maturity Date (excluded), if the Insured is alive by 24:00 of each Policy Anniversary Date, we will pay the Living Coupon equals to 100% of the Basic Sum Assured to the Living Beneficiary at each corresponding Policy Anniversary Date.

Remark: According to the Premium Payment Term of the Insurance Contract, the corresponding Living Coupon First Payment Date are as follows. Premium Payment Term and the Living Coupon First Payment Date will be indicated in the Policy Schedule and cannot be amended during whole policy term.

<table>
<thead>
<tr>
<th>Premium Payment Term</th>
<th>Living Coupon First Payment Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>3 years or 5 years</td>
<td>The 5th policy anniversary date</td>
</tr>
<tr>
<td>10 years</td>
<td>The 10th policy anniversary date</td>
</tr>
</tbody>
</table>

Maturity Benefit

If the Insured is alive by 24:00 of the Policy Maturity Date, we will pay the Maturity Benefit to the Maturity Benefit Beneficiary equals to total paid premium, the Insurance Contract will be terminated upon the payment of the Maturity Benefit.

Reversionary and Terminal Bonus to share the market growth

The insurance contract is entitled to participate into the distribution of the distributable surplus of our participating insurance business, to share the business performance of the Company. Dividend will be distributed in below forms:

1. Reversionary Bonus
   The payment forms of Reversionary Bonus are:
   1) Additional payment of Maturity Benefit
      If the Insured is alive by 24:00 of Policy Maturity Date, in addition to the Maturity Benefit, we will pay the announced Total Reversionary Bonus of the Insurance Contract at that time as additional payment of Maturity Benefit to the Maturity Benefit Beneficiary.
   2) Additional payment of Death Benefit
      If the Insured dies during the policy term, in addition to the Death Benefit, we will pay the announced Total Reversionary Bonus of the Insurance Contract at that time as additional payment of Death Benefit to the Death Beneficiary.
      Once Reversionary Bonus is announced, it will not be changed.

2. Early withdrawal on Cash Value of Reversionary Bonus
   The policy owner can apply for early withdrawal on all or partial of the Cash Value of Reversionary Bonus before the payment conditions of the Reversionary Bonus are satisfied. Early withdrawal on Cash Value of Reversionary Bonus may cause some losses. When apply for early withdrawal on Cash Value of Reversionary Bonus, the policy owner shall provide originals of the Insurance Contract and his/her own Legal Identification Certificate. Once the Cash Value of Reversionary Bonus is paid, the amount of Reversionary Bonus corresponding to the paid Cash Value will be deducted from the Total Reversionary Bonus.

This promotional material is only for your reference. For specifics, please refer to the insurance contract clauses. In case of any discrepancies, the insurance contract shall prevail.
3. Terminal Bonus

1) Terminal Bonus for Maturity
   If the Insured is still alive by 24:00 of the Policy Maturity Date, we will pay Terminal Bonus to Maturity Benefit Beneficiary in a lump sum at Policy Maturity Date of the Insurance Contract.

2) Terminal Bonus for Death
   If the Insured dies after the first Policy Anniversary Date during the policy term, we will pay Terminal Bonus to the Death Beneficiary in a lump sum.

3) Terminal Bonus for Surrender
   If you apply for policy surrender (apply for cancelling the Insurance Contract) after the fifth Policy Anniversary Date during the policy term, we will pay Terminal Bonus to the policy owner in a lump sum.

Note: The dividend is not certain. No dividend will be distributed during lapse period. Details please refer to the insurance contract.

Life Protection for Rainy Days

If the Insured dies, we will pay one of the following two amounts which is larger as Death Benefit to the Death Benefit Beneficiary, and the Insurance Contract will be terminated upon the payment of Death Benefit:

1) Cash value of the Basic Sum Insured of the Insurance Contract upon the death of the Insured;
2) N of total paid premium of the Insurance Contract upon the death of the Insured. N equals to one of followings:

<table>
<thead>
<tr>
<th>Attained Age</th>
<th>N</th>
</tr>
</thead>
<tbody>
<tr>
<td>Under Age 18</td>
<td>100%</td>
</tr>
<tr>
<td>Age 18 - 40</td>
<td>160%</td>
</tr>
<tr>
<td>Age 41 - 60</td>
<td>140%</td>
</tr>
<tr>
<td>Age 61 and above</td>
<td>120%</td>
</tr>
</tbody>
</table>

Remark: Attained age equals to Issue Age of the Insured at insurance application plus policy year and then minus 1.

Flexible Payment Options

We provide you with different payment terms for your choice according to your financial situation, including 3 years, 5 years and 10 years.

Beneficiary Designation

You will designate different person(s) as your Living Beneficiary, Maturity Benefit Beneficiary and Death Beneficiary for wealth management and peaceful life.
Application Process

Step 1

Decide the Annual Premium on the basis of your financial need.

Step 2

Choose the proper Premium Payment Term and Policy Term according to your current financial situation and affordability.

Example Case

Mrs. Feng at aged 45, as the business has gradually entered a period of stability, she has started planning for wealth growing and management. Mrs. Feng chose to purchase the “HSBC Hong Li Wen Ying Endowment Insurance (Participating)” for herself after adequate need planning, with an annual premium of RMB 1,000,000, premium payment period of five years, policy term of 15 years, total premium is 5,000,000 and Basic Sum Assured is RMB 39,660. On the basis of the requirements of Mrs. Feng, the specific policy benefits are as follows:

1. Living Coupon & Maturity Benefits
   Mrs. Feng may receive living coupon of RMB 39,660 per year since the 5th policy anniversary date, till the 14th policy anniversary date. The total living coupons add up to 396,600. If Mrs. Feng is alive on the Policy Maturity Day, she can receive the Maturity Benefit of 5,000,000.
   The total benefit of living coupons and maturity benefit add up to 5,396,600 if Mrs. Feng is alive by 24:00 of the Policy Maturity Date, therefore she can enjoy the wealth growth and stable cash flows as well.

2. Dividend Distribution
   If Mrs. Feng is alive by 24:00 of Policy Maturity Date, in addition to the maturity benefit, she can also receive total reversionary bonus and terminal bonus upon maturity as well. Assuming a medium return level, these aforesaid benefits on Policy Maturity Date will be RMB 1,793,755.
   
   Note: Dividend distribution is not certain and could be ZERO for some policy years.

3. Death Benefit
   During the whole policy term, Mrs. Feng can enjoy a guaranteed death benefit of RMB 7,000,000. Assuming a medium return level, the death benefit (including total reversionary bonus and terminal bonus upon death) will be up to RMB 8,558,798.

This promotional material is only for your reference. For specifics, please refer to the insurance contract clauses. In case of any discrepancies, the insurance contract shall prevail.
In line with the above example, we provide detailed benefit illustration table at a low, medium and high return level:

</table>

Note:
1. In the example, Reversionary Bonus and Terminal Bonus are descriptive and may be different from actual performance. The illustration is calculated based on actual results and other assumptions, and does not represent the company’s historical performance nor a forecast on the future investment returns. The Reversionary Bonus and Terminal Bonus are not certain. Reversionary Bonus will be paid in the form of additional payment of Maturity Benefit and additional payment of Death Benefit. Reversionary Bonus will not be changed after announcement. The policy owner can early withdraw or partial of the Cash Value of Reversionary Bonus before the payment conditions of the Reversionary Bonus are satisfied. Early withdrawal on Cash Value of Reversionary Bonus may cause some losses. Terminal Bonus will be paid in lump sum at the policy maturity, or upon death of the insured after the first anniversary of the policy or upon surrender of the policy after the fifth anniversary of the policy.
2. The age listed in the above table refers to the reached age of the insured at each policy year end.
3. "Death Payment” includes Death Benefit, Reversionary Bonus upon Death and Terminal Bonus upon Death. Death Benefit is the year-end value of the policy year. Reversionary Bonus upon Death and Terminal Bonus upon Death are both year-end values of the last policy year.
4. "Survival Payment of the Year” equals to the living coupon of the year before Policy Maturity Date. Upon expiration of the policy term, it also includes Maturity Benefit, Total Reversionary Bonus and Terminal Bonus.
5. "Surrender Payment” includes the cash value of Basic Sum Assured, the cash value of Reversionary Bonus, and Terminal Bonus upon Surrender (since the 5th Policy Anniversary Date). The cash value of Basic Sum Assured does not include the living coupon or Maturity Benefit distributed at the year-end, the cash value of Reversionary Bonus does not include the additional payment of Maturity Benefit upon Policy Maturity Date.
Company Introduction

Headquartered in Shanghai, HSBC Life Insurance Company Limited is a 50-50 joint venture between HSBC Insurance (Asia) Limited and The National Trust Ltd. with a registered capital of RMB 1025 million. HSBC Life offers a comprehensive range of insurance solutions to our customers covering protection, retirement, children's education, wealth growth and management and legacy planning.

HSBC Life Insurance Company Limited offers comprehensive and professional protection solutions and service to both individual and corporate customers.

HSBC Life Insurance is a customer-focused company, dedicated to developing and providing innovative and unique products based on our understanding of the market and the needs of our customers.
